**PETITION UNDER 37 C.F.R. § 1.181 TO WITHDRAW HOLDING OF
ABANDONMENT**

Dear Sir:

Applicants respectfully petition for withdrawal of the holding of abandonment in the above-identified application.

Applicants respectfully submit that the holding of abandonment is a result of a mistake by the United States Patent and Trademark Office (USPTO) in failing to properly consider information contained in a Power of Attorney by Assignee and Certification under 37 CFR § 3.73(b) with revocation of prior powers (referred to herein as “Power of Attorney”) received by the USPTO on August 2, 2002. (Exhibit 1).

This mistake by the USPTO resulted in all correspondence in the above-referenced application from the USPTO since August 2, 2002 being addressed and sent to the wrong correspondence address by the USPTO as described herein. As a result, Applicants did not receive the Office letter mailed August 26, 2004 that is identified on the Notice of Abandonment (Exhibit 2).

STATEMENT OF FACTS

1. Applicants were represented by the undersigned attorney at the law firm Wilson Sonsini Goodrich & Rosati ("WSGR") when the present application was filed on behalf of Applicants on October 4, 2000.

2. The undersigned attorney subsequently left WSGR and began representing Applicants at the law firm Perkins Coie. The undersigned attorney filed an information disclosure statement on November 30, 2001 from Perkins Coie indicating a correspondence address of Perkins Coie. The undersigned attorney further filed a Request for Status of the application on March 26, 2002 indicating a correspondence address and a customer number of Perkins Coie.

3. A Status Letter Reply was sent from the USPTO to WSGR and received by WSGR on April 2, 2002. The Status Letter Reply was forwarded by WSGR to the undersigned attorney at Perkins Coie.

4. The undersigned attorney subsequently left Perkins Coie and began representing Applicants at the law firm Shemwell Gregory & Courtney ("SGC"). On July 24, 2002, the undersigned attorney filed a Power of Attorney by Assignee and Certification under 37 CFR § 3.73(b) with revocation of prior powers (referred to herein as "Power of Attorney") received by the USPTO on August 2, 2002. (Exhibit 1). Exhibit 1 includes an itemized postcard, stamped by the USPTO to indicate the USPTO received the Power of Attorney on August 2, 2002. The Power of Attorney revokes all previous powers and appoints SGC (also indicated by customer number 30554). The Power of Attorney further requests all correspondence be directed to the address of SGC.

5. The undersigned attorney submitted (by mail) an information disclosure statement mailed January 6, 2003 in the present application from SGC indicating the correspondence address of SGC.

6. Charles Shemwell, law partner of the undersigned attorney, submitted two electronic information disclosure statements from SGC on December 10, 2003, and on July 29, 2004.

7. Neither SGC, nor the undersigned attorney ever received any correspondence in this case from the USPTO at the SGC address. No Office letter was ever received by the undersigned attorney, either directly from the USPTO or from any previous law firm representatives of Applicants. Applicants' are still not in possession of any Office letter in this application.

8. A Notice of Abandonment was received by the undersigned attorney at SGC on May 19, 2005. The Notice was first sent to WSGR by the USPTO (received by WSGR on May 9, 2005), and then forwarded to Perkins Coie (received by Perkins Coie on May 16, 2005).

9. The Notice of Abandonment includes a statement under item 7 as follows: "Examiner has attempted to contact the attorney of record, however all attempts to receive a status on the case have failed". The undersigned attorney states that:

a) undersigned attorney never received any communication of any kind from the Examiner or from a previous law firm representative of Applicants (WSGR or Perkins Coie) regarding this application;

b) undersigned attorney is in contact with staff at both WSGR and Perkins Coie, and in other applications of current Applicants (which have similarly not had Powers of Attorney properly entered), has been contacted by such staff when USPTO personnel have attempted to reach undersigned attorney at WSGR and Perkins Coie; and

c) undersigned attorney's listing on the USPTO attorney registry web site is current and correct, and is as follows:

DECLARATION

I, the undersigned attorney, declare that the facts stated herein are correct based on the file history of the application and personal knowledge. I declare that I properly submitted the Power of Attorney as evidenced by Exhibit 1. I further declare that I never received or had knowledge of any Office letter in this application. I still do not have possession of, and have not seen, any Office letter in this application.

I hereby state that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, USC §1001 and that such willful false statements may jeopardize the validity of the this application or any patent issued thereon.

POINTS TO BE REVIEWED

Applicants respectfully request the Director to review the evidence presented in this Petition, as well as the file history in this application to confirm that, due to the mistake of the USPTO in not entering the Power of Attorney and new correspondence address, Applicants had no knowledge of any Office letter being mailed in this case. Therefore, Applicants had no opportunity to respond to the Office letter.

ACTION REQUESTED

Applicants respectfully request that the holding of abandonment be withdrawn in this application.

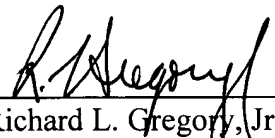

Applicants further request that the Office letter said to be mailed on August 26, 2004 be resent to the current, proper correspondence address with a new mailing date.
